# ABOUT THE ESCAPE 13

**The Escape 13' is our lightest and most compact trailer yet.** Bringing back the charm of vintage travel with modern innovation, the 13' is built with Escape's signature 100% molded fiberglass shell - creating a true one-piece, lightweight unit with a dry weight of just 1,850 lbs and a GVWR of 2,500 lbs. Easy to tow, simple to set up, and ready for adventure, it's designed for solo travelers and couples.

The 13' features a convertible dinette that transforms into a comfortable bed, a compact galley kitchen with a 2-burner cooktop and 3 cu. ft. refrigerator, and efficient use of space throughout.

Although smaller than our other trailers, every inch of the E13 is practically crafted to Escape's design and quality standards which feature real wood

carpentry, thoughtful storage and prioritize your comfort.

Built on Escape's proven fiberglass construction, the 13' maintains the same craftsmanship, warranty, and materials as our larger models. The aerodynamic design and makes for smooth towing even with smaller vehicles.

The Escape 13' proves that great adventures can come in small packages - offering the simplicity of a compact trailer without compromising Escape's renowned quality and reliability.
