

Escape 21C

BASE FEATURES & OPTIONS FLOORPLAN CONFIGURATION GUIDE

Escape
TRAILER Built for you.

The Escape 21C offers a permanent two-person bed at the front of the trailer and a four-person dinette that converts to a two-person bed at rear of the trailer.

This guide will help you get started in configuring your trailer exactly the way you want it. You can use this guide to help decided on placement of the available options.

THROUGHOUT THIS GUIDE
P/S = Passenger Side | D/S = Driver Side

D/S - Driver Side

U-Shaped Dinette shown is optional (bench seat is standard)

P/S - Passenger Side

Our team at Escape Trailer is customer-centric, proud of our products, service, and most of all the experience you have while building your Escape. You can personalize your trailer by choosing between Oak, Maple, or Contemporary for your cabinetry, and seven standard choices of countertops, upholstery, and flooring to create your perfect style. There are 1000's of ways to personalize an Escape to make your trailer the perfect home away from home.

CABINETRY

Choose from Oak, Maple, or Contemporary options.

All sample swatches shown are for illustration purpose only. Actual product may vary.

STANDARD & OPTIONAL EXTERIOR LIGHT LOCATIONS

Front

Rear

P/S - Passenger Side

D/S - Driver Side

● STANDARD EXTERIOR LIGHTS

- S **Passenger Side** – LED Porch Light located under the awning to the left of the entry door.
- S **Driver Side** – LED Light towards the bottom of the trailer above the dump valves.

Master Switch Exterior LED Light Package – This package includes optional locations 1, 2 and 4. Interior switch is wired to these locations and standard P/S porch light. The other standard locations are controlled individually on the LED light itself.

Blue outline on standard or optional LED light location illustrates light is wired to interior switch.

● OPTIONAL EXTERIOR LIGHTS

- 1 **Front of Trailer** – Optional LED Light centered above belly band at the front of the trailer.
- 2 **Rear of Trailer** – Optional LED Light centered above belly band at the rear of the trailer.
- 3 **Passenger Side** – Optional LED Light vertically centered (relative to standard porch light) placed below the belly band to the left of the entry door.
- 4 **Driver Side** – Optional LED Porch Light centered above Standard LED light where possible. This light will be at the same height as the standard porch light seen on the P/S.

D/S - Driver Side

P/S - Passenger Side

● OPTIONAL REINFORCED WALLS

The interior walls are not reinforced but they can be as an option. If you plan on mounting items such as a TV, any sort of storage system, the wall will need to be reinforced.

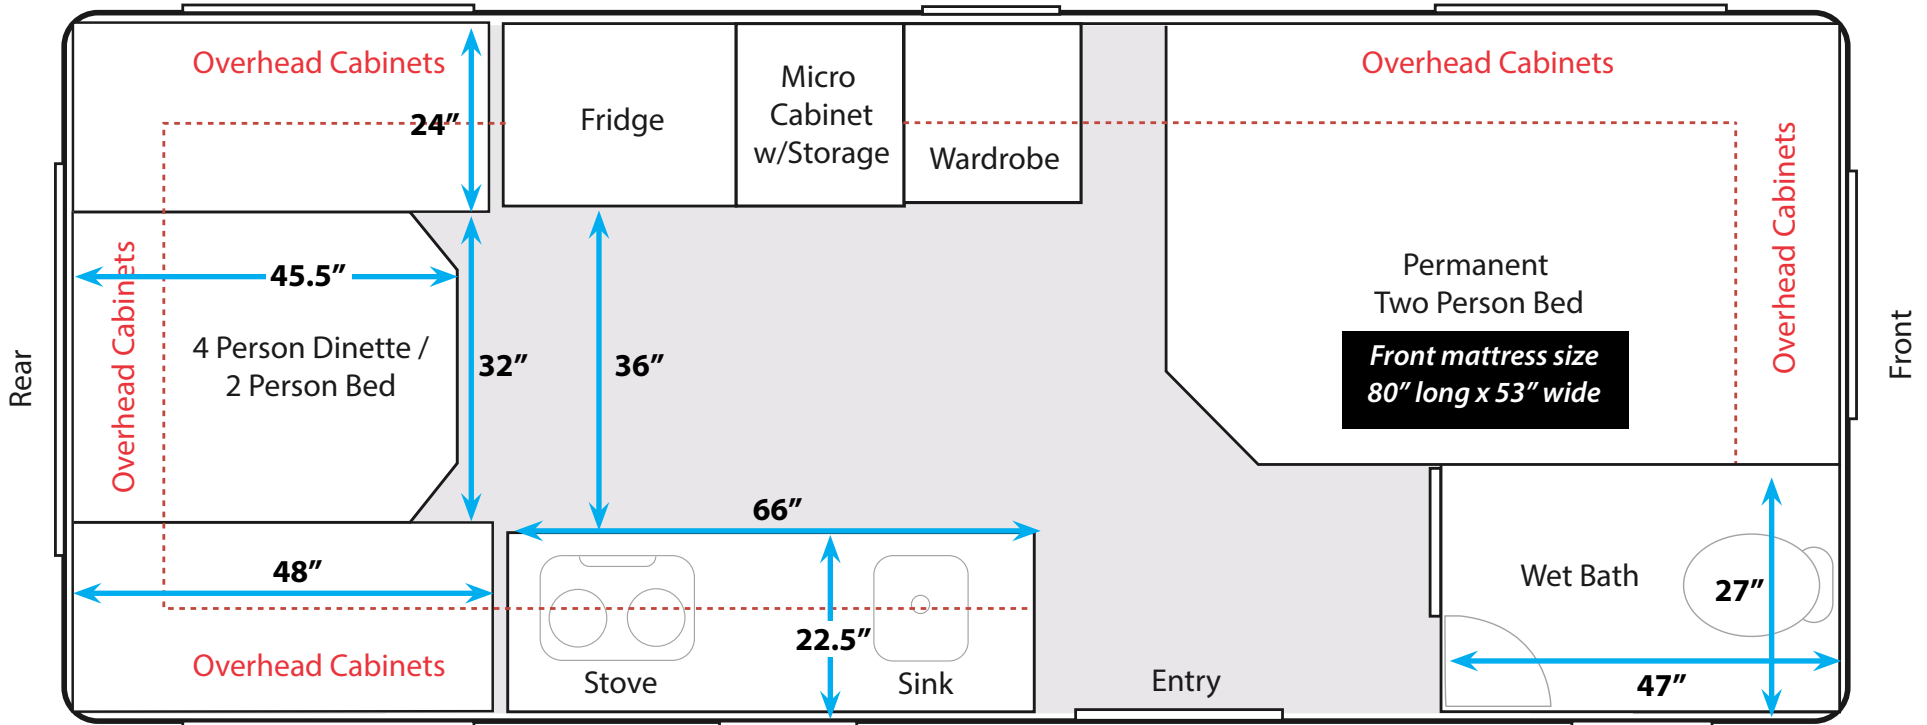

- 1 Reinforced Wall – P/S kitchen wall, bench side (25 lbs)
- 2 Reinforced Wall – D/S fridge wall, bench side (25 lbs)
- 3 Reinforced Wall – D/S fridge wall, cabinet/wardrobe side (25 lbs)
- 4 Reinforced Wall – D/S cabinet wall, cabinet side (25 lbs)
- 5 Reinforced Wall – D/S cabinet wall (25 lbs)
- 6 Reinforced Wall – P/S bathroom wall bed side (50 lbs)

▲ RETRACTABLE WALL HOOKS

The Retractable Wall Hooks include 3 hooks per set.

- 1 Wall Hooks – on bathroom wall above bed
- 2 Wall Hooks – P/S left of entry on end of overhead cabinet
